Sorry, I also wanted to mention that about half the presentation summarizes the RI which was copied from my last presentation to the CAG back in March. So it should not be completely new information.

Subject: CAG Meeting Presentation

Hi Will,

Attached is the presentation for the next CAG meeting, this Thursday on 7/9/2020. I am very sorry for the short notice but pace of Riverside has been crazy fast the last several weeks. I would really appreciate it if you can review and send comments by Wednesday (7/8).

This presentation summarizes the RI and discussed the FS. I do not present anything on the proposed plan for the CAG but this presentation will eventually be refined and used for the public meeting.

Let me know if you have any questions.

Thank you!

Josh
